Dear Friend of Blue Skies for Children,

Blue Skies for Children is excited to extend this exclusive opportunity for you to partner with us in making a meaningful difference in the lives of our community's children. We are changing our fundraising model to allow us to direct our energy and funding towards two impactful events aimed at celebrating and uplifting the students we serve. We hope you will consider continuing your support through these two sponsorship opportunities.

Shine Bright: Talent Showcase & Reception

Friday, May 17, 2024 | The Hotel Leo

Our New Enrichment Showcase celebrates the creativity, talent, and hard work of students who benefit from engaging in after-school enrichment opportunities. We are excited to bring together many of our partners that are dedicated to providing creative, safe spaces for children to learn, explore, and grow. This will be an evening full of diverse performances, a silent auction of enriching experiences, light hors d'oeuvre, and so much more. Your sponsorship will help us provide a meaningful platform for these aspiring students and also contribute to the cultural enrichment of our community.

Ready to Thrive: Back2School Boost

Tuesday, July 30 – Saturday, August 3, 2024

Christ the King Church

On the heels of our successful large-scale distribution events in 2023, we are now providing a NEW week-long Back2School Boost that will provide essentials to children experiencing homelessness, income barriers or are in foster care. As they prepare for the new school year, many of these families lack the resources they need to help children thrive academically and socially. Your sponsorship will help us provide a one-stop *shopping* experience for families to select NEW shoes, coats, backpacks, and other essentials to ensure that these children feel confident as they return to the classroom.

Please review the sponsorship options enclosed. Together we can build a brighter future for our community's youth.

Gratefully,

The Blue Skies for Children Team
