2024 Programs

Magic of the Holidays

Every year, families in need reach out requesting help to provide a magical season for their children. Our Holiday Giving campaign secures access to traditional experiences that families can enjoy together such as tickets to holiday shows, Santa photos, and holiday shopping excursions.

2025 Programs

Back2School Boost

New shoes, coats, backpacks, and school supplies for children in need. This event serves over 1,000 local students and ensures they start the school year prepared and confident.

Little Wishes Enrichment

Provides funding for extracurricular activities like music lessons, sports fees, art supplies, and educational programs. Little Wishes empowers children to explore their interests and talents, helping to boost self-esteem and inspire future success.

Driver's Education Scholarships

Provides up to \$500 per student to attend an accredited Driver's Ed program. Many teens experiencing homelessness, low-income circumstances, or who are in foster care struggle to access this essential resource to become responsible and safe drivers. Your sponsorship helps cover these costs, giving teens the freedom to pursue work and education opportunities that require driving skills.

At Blue Skies for Children, the heart of our work is made possible through the generosity of our community. Most of our funding comes from local donations, which empower us to provide essential resources and enrichment opportunities to children facing homelessness, foster care, or economic challenges. Together, with the unwavering support of individuals and businesses, we are able to lift up these children and help them thrive. **Thank you!**
