## 2025 Sponsorship Opportunities

### ✦ Helping Children Thrive ✦

Your sponsorship directly impacts children experiencing homelessness, foster care, and economic challenges in Whatcom and Skagit Counties.

At Blue Skies for Children we work to raise hope and self-esteem by providing essentials to help with school readiness and access to enriching activities that foster skill-building, love of learning, and connection.

#### In 2024, we have:

- Supported **135 children** and their participate in on-going activities like martial arts, music, dance and gymnastics, STEM classes, art and more – a **47% increase** over last year.
- Provided **134 Little Wishes** for children to access sports equipment, instruments, bicycles, computers and summer camps.
- Awarded **\$3,300 in Drivers' Education Scholarships** so teens could become responsible, safe drivers.
- Distributed over **1,300 backpacks** through our **Back2School Boost** and at schools throughout the county.
- Given over **750 NEW Coats and Shoes** so children are warm, comfortable, and prepared for learning.

The heart of our work is made possible through the generosity of our community. Most of our funding comes from local donations, which empower us to provide essential resources and enrichment opportunities to children facing homelessness, foster care, or economic challenges. Together, with the unwavering support of individuals and businesses, we are able to lift up these children and help them thrive. **Thank you!**

## 2025 Events

### **Shine Bright Showcase & Reception**

Returning by popular demand, our Shine Bright Showcase & Reception celebrates the creativity, talents, and growth of students who benefit from Blue Skies' enrichment programs. The event will feature a series of live performances, displays and demonstrations that highlight the joy that our students experience when engaging in enrichment. Guests will have the opportunity to enjoy an array of refreshments while bidding on unique and enriching experiences.

With your sponsorship, you'll help bring this event to life in support of the activities that help our youth shine. You'll also enjoy high-visibility recognition at the event, connecting your brand to a night dedicated to empowerment, learning, and community impact.

### **Back2School Boost**

One of our most impactful events, Back2School Boost equips over 1,000 local students with essential shoes, coats, and backpacks, setting them up for success. These simple yet crucial items not only help children feel prepared and confident but also ease the financial burden on families who may struggle with back-to-school costs.

By sponsoring the Back2School Boost, your business directly contributes to each child's academic readiness and self-esteem. Sponsors will receive recognition at the distribution event, connecting your brand with our mission to foster equal educational opportunities for all children. Join us in making a lasting difference in a child's school year!

## 2025 Programs

### **Little Wishes Enrichment**

Our Little Wishes Enrichment program provides on-going and one-time funding for extracurricular activities and equipment like music lessons, sports equipment, art supplies, martial arts, summer camps, and more! Each wish granted brings joy, boosts confidence, and encourages kids to explore their interests in ways that would otherwise be out of reach.

Your sponsorship of Little Wishes Enrichment ensures that children can participate fully in activities and experiences that support their personal growth and happiness. With your support, these children receive more than just a material item—they gain moments of normalcy, connection, and the belief that their community cares. Sponsors receive recognition in our program materials, symbolizing your direct contribution to a child's well-being and enrichment.

### **Driver's Education Scholarships**

For many teens facing homelessness, foster care, or economic hardships, learning to drive is an essential skill but often an inaccessible one. Our Driver's Education Scholarships provide up to \$500 per student to cover the costs of attending an accredited driver's education program. These scholarships enable teens to obtain a driver's license, which opens critical opportunities for employment, education, and independence.

By sponsoring Driver's Education Scholarships, you give teens the tools they need to build a more stable and self-sufficient future. A driver's license can mean the difference between securing a job or furthering education opportunities that require reliable transportation. As a sponsor, you'll receive recognition in program materials and social media, associating your brand with a program that directly supports a young person's journey toward independence and confidence.

# 2025 Sponsorship Sign-Up Form

To secure your sponsorship, please complete the attached form and return it to us at [director@blueskiesforchildren.org](mailto:director@blueskiesforchildren.org) or call us directly at **360-756-6710**
