

2026 SPONSORSHIP OPPORTUNITIES

Be a hero.

In 2025, we have:

- Supported **over 170 children** through Little Wishes Enrichment.
- Awarded **\$7,500 in Drivers' Education Scholarships** so teens could become responsible, safe drivers.
- Given over **1,300 NEW items, including Coats and Shoes** to families so children are warm, comfortable, and prepared for learning.

The heart of our work is made possible through the generosity of our community. Most of our funding comes from local donations, which empower us to provide essential resources and enrichment opportunities to children facing homelessness, foster care, or economic challenges. Together, with the unwavering support of individuals and businesses, we are able to lift up these children and help them thrive. **Thank you!**

2026 OPPORTUNITIES

Bubbles and Brunch: A Benefit for Blue Skies for Children

This is a new signature fundraiser designed to celebrate our mission and strengthen our impact in Whatcom County. This casual, uplifting brunch will feature mimosas, raffle baskets, light entertainment, and inspiring stories that highlight the successes of the children and families we serve. We are seeking sponsors to help launch this annual event and ensure it becomes a sustainable source of support, one that allows us to meet growing community needs and expand programming, so every child has the chance to learn, grow, and thrive.

With your sponsorship, you'll help bring this event to life in support of the activities that help our youth shine. You'll also enjoy high-visibility recognition at the event, connecting your brand to a night dedicated to empowerment, learning, and community impact.

Back2School Boost

One of our most impactful events, *Back2School Boost* equips over 1,000 local students with essential shoes, coats, and backpacks, setting them up for success. These simple yet crucial items not only help children feel prepared and confident but also ease the financial burden on families who may struggle with back-to-school costs.

By sponsoring the *Back2School Boost*, your business directly contributes to each child's academic readiness and self-esteem. Sponsors will receive recognition at the distribution event, connecting your brand with our mission to foster equal educational opportunities for all children. Join us in making a lasting difference in a child's school year.

Driver's Education Scholarships

For many teens facing homelessness, foster care, or economic hardships, learning to drive is an essential skill but often an inaccessible one. Our Driver's Education Scholarships provide up to \$500 per student to cover the costs of attending an accredited driver's education program. These scholarships enable teens to obtain a driver's license, which opens critical opportunities for employment, education, and independence.

By sponsoring Driver's Education Scholarships, you give teens the tools they need to build a more stable and self-sufficient future. A driver's license can mean the difference between securing a job or furthering education opportunities that require reliable transportation. As a sponsor, you'll receive recognition in program materials and social media, associating your brand with a program that directly supports a young person's journey toward independence and confidence.

Harvest, Hops, and Hope

Our fall fundraiser, *Harvest, Hops, and Hope*, is a fun way for our community to come together and raise funds for us to further help families in need. Following our *Back2School Boost*, this fundraising opportunity is full of family fun and is a great way to get involved.

Sponsoring *Harvest, Hops, and Hope*, you will help families secure the basic resources they need and raise hope through our community. Sponsors will receive recognition through social media and program materials, as well as connect your business with an opportunity to uplift children and give back to those in need.

2026 Sponsorship Sign-Up Form

To secure your sponsorship, please complete the attached form and return it to us at director@blueskiesforchildren.org or call us directly at **360-756-6710**
